

DMB REALTY NETWORK™ LLC

CARINE GIRARDIN

Vice President of Operations

DMB Realty Network

Carine is responsible for the sales administrative support processes as well as the day-to-day operations and effectiveness of all policy and procedures. She manages the internal technology for the company and assists clients in the recruiting and training of the sales force, initiates the legal and escrow efficiencies, and is the developer liaison for all aspects of the operational needs of the company and clients.

Carine has been in the operations and human resources field for more than 25 years. Her experience includes implementing Customer Relationship Management systems, developing and facilitating sales training, and leading new retail store set up for luxury clientele such as Neiman Marcus. In 2003, she began working with members of the DMBRN team, drawn in by group's sense of community, collaborative nature and overall professionalism.

About DMB Realty Network

DMB Realty Network is an international sales and marketing company specializing in providing solutions in the luxury residential real estate industry. Our services, designed to help clients shape their vision and accomplish their goals, have allowed us to successfully achieve \$3 Billion in luxury residential real estate sales in the past decade alone, in a diversity of markets and economic climates.

DMB Realty Network works with premier Communities to create, market and sell some of the most coveted residential properties throughout the United States, Canada, Latin America and the Caribbean.

We provide 360° solutions for realizing revenue goals, including the expertise, the tools and the team; decades of success have given our team the breadth of strategic expertise and depth of tactical experience to lead Buyers to Great Places.
